

# FARM APPETITE

SECURA started as a farm insurance company in 1900, and we are excited to continue to write farms with you into the future.

Use this guide to see what types of farms are in our appetite, underwriting requirements, and the coverages we offer.

## Types of farms:

- Beef
- Cranberry
- Dairy
- Field crop or grain
- Fruit
- Operating hobby farm
- Small farm
- Vegetable

## Things we look for in an ideal farm:

- Well-maintained equipment and buildings
- Active management from owners
- Safety minded management willing to work with SECURA's Risk Management team
- Stable financial history
- Building construction quality
- Balanced mix of farm buildings and farm personal property
- Practice pre-employment screening for potential MVR issues (if placed in driving positions)

## Key coverages offered:

- Property
- General Liability
- Inland Marine
- Commercial Auto
- Workers' Compensation
- Umbrella
- Dwelling

## Underwriting requirements:

- Up to \$20 million total insured value (varies by location)
- Wind/hail deductibles (state dependent - talk to your Farm Lines underwriter for more information)
- Replacement cost/ACV dependent on individual risk attributes
- Photos of property and loss runs required with submission

## At this time, SECURA is not accepting the following classes of business:

- Equine
- Feed lots
- Hog operations
- Mink or fur farms
- Poultry operations

SECURA writes farm business in Colorado, Illinois, Indiana, Iowa, Michigan, Minnesota, North Dakota, and Wisconsin.

Coverages may not be available in all states. Coverages described are subject to all the terms and conditions of the policy, including deductible, exclusions, and limits of liability. Not all agents are authorized to write all types of insurance. Policies may be underwritten by SECURA Insurance Company or SECURA Supreme Insurance Company, affiliated companies referred to collectively as SECURA Insurance Companies. Please read the policy carefully.
