Why write Specialty Lines with SECURA?

We provide customized insurance on admitted paper for commercial businesses in niche classes, such as special events, nonprofits, and sports and recreation risks. Our coverage offers protection for a wide range of industries to help you diversify your book of business and support your agency's growth. We work hard to find the right coverage for each account we quote. As a standard market insurance carrier, our policies are backed by State Guaranty Funds, unlike those written by non-admitted Excess and Surplus (E&S) carriers.

Admitted carrier

As an **admitted carrier**, SECURA is an exciting option for agents and policyholders who wish to work with a reliable insurance company that offers outstanding products and services.

SECURA's broad coverage includes **comprehensive products** that both agents and policyholders find valuable. We customize our policies with supplementary coverages and WRAPs to ensure proper protection.

Our **service** to our agents and policyholders is second to none. You will always have one-on-one support from our specialty underwriters and sales managers.

Ease of doing business

Our customer-first mentality creates strong, lasting agency partnerships. Here are a few reasons you should write more Specialty Lines:

- **Direct billing** with payment options for your clients
- **Automatic renewals** (without a new ACORD App)
- Short **supplemental questionnaires**
- **Online rating tool** for quoting and binding several classes
- Enticing, **highly competitive commissions**
