Help us fight the war on fraud

Insurance fraud costs U.S. policyholders as much as \$308.6 billion each year across all lines of insurance.

Property-casualty fraud equals approximately \$45 billion each year. The cost of workers' compensation insurance fraud equals approximately \$34 billion each year.

We care about your premium rates.

In fact, our Special Investigative Unit (SIU) combats insurance fraud by aggressively investigating claims, including those referred by you.

You can help stop fraud.

If you suspect someone is involved in insurance fraud, please call us at our Fraud Alert Hotline above.

- All information is kept confidential.
- All leads will be investigated.
- Callers can remain anonymous.
