

# Farm Automobile Coverage

With SECURA, you get peace of mind knowing all the vehicles you use on and around your farm are covered on one policy.

You'll find our people truly care and enjoy helping you.

## Farm Commercial Auto

Your farm vehicles play a large part in the success of your farm. If your vehicles are damaged, it's comforting to know we'll be there to provide the protection you need.

### Seasonal Use Adjustments

You don't use all your vehicles 12 months a year, so why pay a 12-month premium? We offer premium reductions for farm trucks used less than 6 months of the year and 5,000 miles per year, or farm trucks used less than 3 months and 2,000 miles per year.

### Limited Broadened Pollution coverage

We offer the protection you need for your vehicles transporting gasoline, diesel fuel, motor oil, and other petroleum-based products. Should accidents occur that require cleanup of pollutants used in your farming operation, you'll be covered.

### Individual Named Insured coverage

Provides many of the coverages to the named insured and his or her family members that would otherwise be provided on a Personal Auto Policy.

## Business Auto WRAP

### Broad Form Insured

Our Broad Form Insured coverage provides protection for any subsidiary farm you have active control over and any of your employees while they use a non-owned vehicle.

### Limited Fellow Employee coverage

When allowed by law, your employees are covered for injury to a fellow employee.

### Non-owned Light Trailers

We provide liability protection when non-owned trailers with a 5,000-pound capacity or less are towed by a covered vehicle.

### Transportation Expenses

We provide up to \$100 per day up to \$2,500 total for temporary transportation expenses incurred because of a total theft of a vehicle with Other Than Collision coverage.

### Mobile Radios, Telephones, Data, Video, and Sound-Receiving Equipment

Your communication devices are automatically protected. Permanently installed equipment is covered up to \$10,000.

### Loss of Use Expenses

We provide up to \$50 per day up to \$1,000 total if you become legally responsible to pay for loss of use of a rental vehicle due to a covered physical damage loss.

### Rental Reimbursement coverage

We provide up to \$50 per day up to \$1,500 total for rental reimbursement expenses due to a covered physical damage loss.
