

# SECURA's Nurse Hotline

Gives SECURA Work Comp policyholders 24/7 access to a registered nurse for injury support at no cost.

More than 40% of reported injuries result in employees returning to work without filing a claim.

## Nurse Hotline benefits

- ☑ **Fewer claims** — Many injuries can be treated with self-care, preventing unnecessary claims.
- ☑ **Lower costs** — Fewer and less severe claims can help reduce premiums.
- ☑ **Less lost time** — Prompt care means employees stay on the job or return to work faster.
- ☑ **Expert guidance** — Nurses provide immediate care recommendations and help jump-start claim paperwork when needed.
